1. Hair Clip Ins - \$50 (plus th cost of hair)

This method is used for those brides doing an updo who want more fullness to their style.

2. Temporary Hair – \$250 (plus the cost of hair)

This is a track application using state of the art 'hair tape' and can last a few weeks or more-it's ideal for down or half up half down hairstyles. Perfect for weddings, sweet 16 parties, proms or for other special events-it's not good for people who are very thin on top, as there needs to be coverage over the tracks Oily hair may not stick as well.
